Regular meeting of Town of Easton Park Board opened by presiding chairperson, Mike Weise. There were five Park Board members, Town Manager, the Director of Parks and Recreation, and two members of the Friends of Project Idlewild present. Minutes of the previous meeting were read and approved.

Victoria Milhollan and Dee Craig made a presentation for a “Wall of Thanks” that they would like to see displayed at Idlewild Park near the new play area. They have a budget of \$5000. They are willing to pay for the sign and the structure around it. The sign would have names, sponsors and committee on it that helped during the building of Project Idlewild on one side and history of Idlewild Park on the other side. Milhollan Harper will do the sign. They would like to have it installed in June and would like to ask the Town to install it. Park Board made a decision to tentatively approve subject to view of the final approval along with the approval from the Town of the location if possible. It will be necessary to get with Brian Hause and Matt to draw up a site plan to be discussed at next meeting. This must also go through Planning and Zoning for sign ordinance. The fact that there may be something else coming down the pipeline or the sign maybe offensive to someone.

Victoria asked that the Town possibly removing the tiles that are located in the play area. There is no real answer to why they have been damaged. It appears to be weather related. This will need to be coordinated with Mike Dickerson if the Town with have to remove. Victoria mentioned that they would run an ad in the paper letting people know what is going on, if the tiles are to come down.

A sign for rules in the play area have been approved subject to site approval from the Town of the final location.

Quote for American Tennis Courts to resurface tennis courts with premier surface at Idlewild Park was approved.

Park Board decided to wait for Cathy Mols (Friends of Rails to Trails) to send in her outline for the Park Board to review before anything will be approved.

Next meeting, Monday, March 31, 2008 at noon.

No further business brought before this meeting. Meeting adjourned 1:15 pm

Respectfully submitted,

Lorraine Gould
